Lincoln County Day on June 16th

Set Apart In Connection With Farmers' Week at Ontario Agricultural College

June 16 has been set apart as Lincoln County day in connection with Farmers' week at the Ontario Agricultural College this year. All farmers are invited to visit the college and Lincoln day will be the first of the few days allotted for this purpose, the other days being June 17, 18 and 19. Visitors are advised to arrive early in order to have time to see the big institution. The forenoon will be spent looking about the lawns and gardens or going over the exhibits in the buildings of the Science Departments. All visitors are requested to bring basket lunch, and to assemble picnic style under the shade trees by the gymnasium (in the gymnasium in case of rain) at 12 o'clock sharp, standard time. The College will provide hot tea, milk and ice cream. After lunch, the men may go in charge of a guide to spend an hour or two looking over the crop experiment plots and the livestock, after which they will be at liberty to visit other departments as they see fit. A guide will conduct the women to Macdonald Institute where they will be shown through the Home Economics class rooms, laboratories and kitchens. The women will then be at liberty to visit the poultry houses, dairy, apiary and the gardens at their leisure. Besides this, staff officials will be in buildings from 10 a.m. to 4 p.m. each day, ready to give information on questions of agricultural science and practice. At 4 o'clock, the campus will be available to young and old for baseball games, horseshoe pitching or similar sports as they may see fit to enjoy.

Pleaded Guilty To Theft of Chickens

Winford and Victor McPherson Remanded For Sentence—Earl Topp To Be Tried on June 16th Prov. Constable Embleton Active In Apprehending Thieves

When Winford McPherson no address, and Victor McPherson, Jordan, appeared in Monday morning's police court, St. Catharines along with Earl Topp, who was on remand since last week, on a charge of theft of poultry, which Topp was trying to sell at Crowland, when apprehended by Chief Jones, the formal charge of the theft March and April of certain chickens from Johnson Lampman of Gainsboro was read to them, to which they pleaded guilty and entered pleas of guilty. On a charge of the theft of thirty Plymouth rocks from C. Lane, they pleaded not guilty, as did Topp. The court then proceeded with the other cases on the docket and two hours later, the McPherson brothers came back again to state that they desired to change their pleas and enter guilty instead of innocent. Topp was formally charged with the theft of 40 rocks from Everard Neville of Gainsboro and the Crown Attorney stated that he wished all three tried together on the 16th but the second answer of the McPhersons made it necessary for Topp to face the court on that occasion, the other pair being remanded for sentence. In connection with the cleaning up of the poultry cases, Provincial Constable Embleton of Grimsby, Chief Jubilee and County Constable George Seymour of Beamsville are credited with the preliminary investigations and location of the culprits, the case then being turned over to the Provincial Police, where Constable Embleton completed the evidence with the co-operation of Crowland and Welland. Much credit is due to the officers for their excellent work in bringing these petty marauders to justice, as the activities of the poultry thieves have kept the farmers of Lincoln County in a minor state of terror, in which they were forced to mount guard on their poultry losses every night for weeks at a stretch.

Milk Prices Lowered In Grimsby

Commencing on Monday morning lower prices for milk went into effect in Grimsby, which is supplied by the Model Dairy.

The price of milk for the summer months is now 7 cents a pint and 12 cents a quart, having been reduced one cent in each case, the prices previously being 8 cents a pint and 13 cents a quart.

The price of Jersey Milk, however, remains the same the year round selling at 16 cents a quart.

The price of cream remains the same, namely 18 cents a half pint and 20 cents a quarter pint while whipping cream sells at 50 cents a pint and 25 cents a half pint.

Most of the farmers nowadays prefer to dispose of their milk rather than take the extra time to separate their milk and cream, which accounts for the price of cream remaining the same.

The milk prices here are the same as in Hamilton, where prices were lowered a few days ago.

Memorial Service Held On Sunday

In Memory of Lake Lodge School Boys Who Fell in the War and Of Founder of the School, the Late, W. J. Droke, M.A.

On Sunday morning an impressive memorial service was held in St. Andrew's Anglican Church, Grimsby, in memory of the boys of Lake Lodge School who fell overseas in the great war and in memory of the late W. J. Droke, M.A., founder of School. Rev. Harry Dow of Hamilton, an old Lake Lodge School boy, had charge of the service.

The boys of the school composed the choir which effectively sang Burk's "Te Deum" and the anthem "Inclina Domine Ear."

At the close of the service a wreath was placed on the memorial tablet and the "Last Post" sounded by four buglers of the school after which the national anthem was sung.

The singing of the recessional, "Oh Valiant Hearts" brought the service to a conclusion.

The cadets of Lake Lodge School in their noisy uniforms, paraded to the church, being led by the bugle band.

Nominations To Be Held July 21st

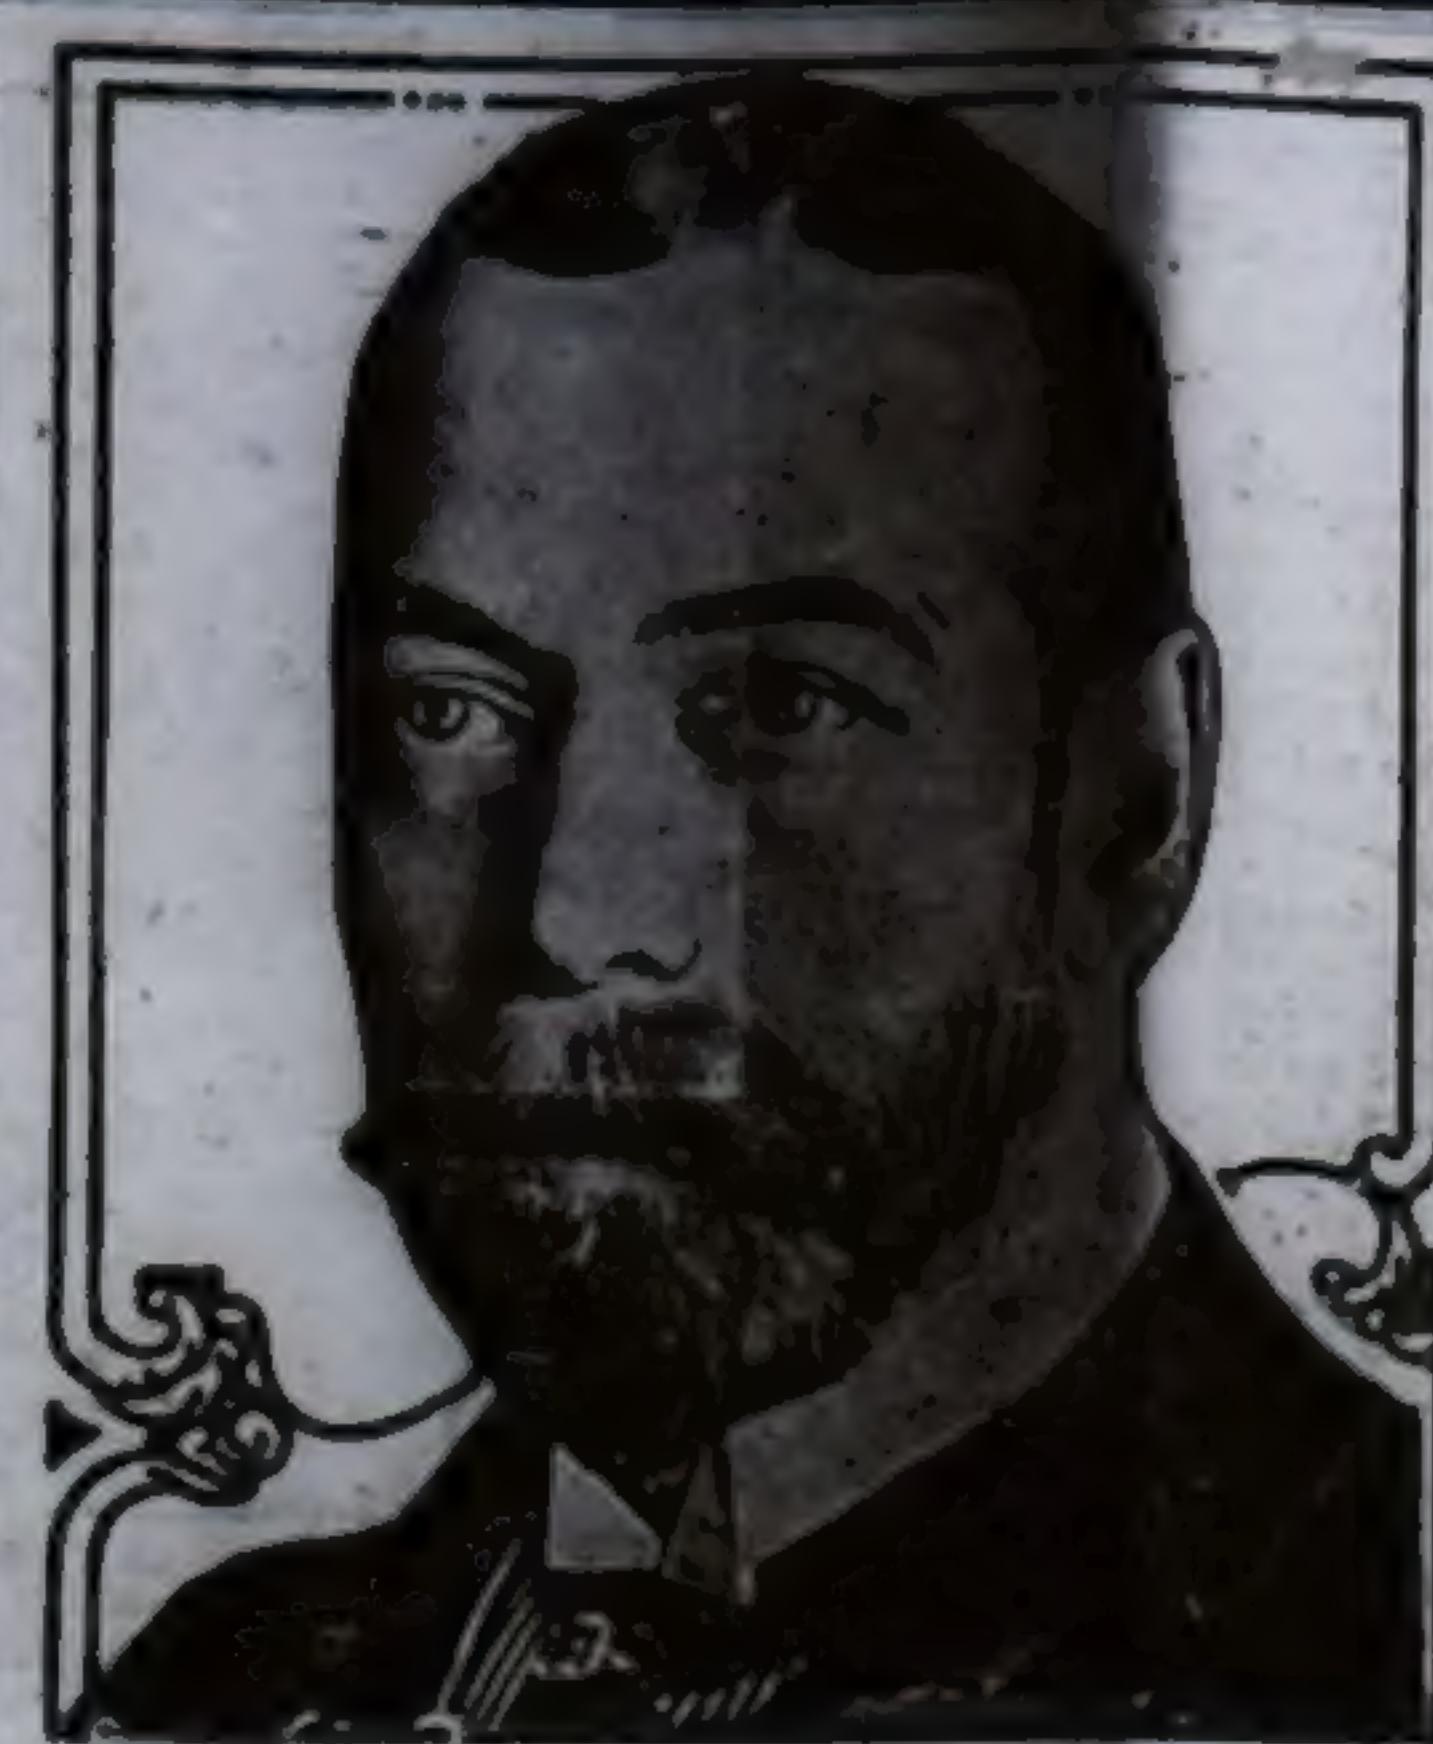

Sheriff O'Loughlin of Lincoln County Notified—Polling Day Week Later—Lists Being Compiled

Sheriff O'Loughlin of Lincoln county has received a telegram from the Chief Electoral Officer, Ottawa, that the writs for the election had been issued defining Monday, July 21st next as the nomination day and Monday, July 28th next as the polling day.

Also instructions were received that the City of St. Catharines enumerators should in pairs commence to make the丈量 on Monday next, and have their lists ready to be delivered to Sheriff O'Loughlin on Tuesday, June 10th.

Enumerators will go together both signing or initialing all slips. Even if they disagree as to qualification of any voter his name will be included in the list, the slip left at his residence being signed or initialled by the enumerator supporting qualification and disagreeing enumerator noting his dissent.

HIS MAJESTY, KING GEORGE V

Whose Birthday was Celebrated Throughout Empire on Tuesday When Many Tributes were Paid To His Majesty

To Decorate During Shriners Convention

In accordance with a resolution recently passed by the Grimsby town council business men and citizens are requested to decorate their places of business and homes for the period from June 26th to 11th during which time the shriners will pass through Grimsby en route to Toronto where the big convention is to be held.

It is anticipated that an unusually large number will come via Niagara Falls and along this highway and special arrangements are being made to take care of the traffic. The plans arranged include the diverting of heavy trucks and as many cars as possible to other roads so as to avoid a traffic congestion.

This district is noted for its attractiveness and hospitality and citizens will doubtless heartily co-operate to make the visitors from across the border feel cordially welcome in Canada.

Messrs. H. Kelton and K. McPherson are spending their holidays at Ottawa and Hull.

Elections Throughout Dominion

To Be Held Monday, July 28

The Parliament which was dissolved Friday night is the sixteenth Parliament in Canada since Confederation. It was elected on Sept. 14, 1926.

The standing at dissolution was:

Liberals	120
Conservative	99
United Farmers of Alberta	11
Progressives	12
Liberal-Progressives	8

The price of Jersey Milk, however, remains the same the year round selling at 16 cents a quart.

The price of cream remains the same, namely 18 cents a half pint and 20 cents a quarter pint while whipping cream sells at 50 cents a pint and 25 cents a half pint.

Examination Now In Progress

Pupils of High School Commen-
cer writing on Examinations.—
Large Entrance class this year.
Examinations June 25, 26 and 27

Principal J. S. Jackson of the Grimsby High School states that the Lower School examinations took place on June 2nd, 4th and 5th, the pupils trying for their lower school certificates. Students will be notified the beginning of next week as to the results of the examinations. Those who failed will have an opportunity of writing on the same subjects about the end of June.

The promotion examinations will begin on June 9th and continue for a week. The junior and senior matriculation examinations will begin on June 16th and continue for about two weeks.

The high school entrance examinations will take place on June 25th, 26th and 27th.

Principal J. H. Forman of the Public School informed the Independent that the largest class in some years will write on the entrance examinations.

Cadet Corps Was Highly Commended

Lake Lodge School Corps Inspected by Col. McCrimmon on Tuesday — Complimented on Efficiency Shown

The Lake Lodge School Cadet Corps under the number of about sixty, smartly attired in their noisy uniforms, were highly complimented on the efficiency with which they acquitted themselves on the occasion of the annual inspection made on Tuesday by Col. McCrimmon, District Cadet Inspector, M. D. No. 2 who was accompanied by Major Harold Droke and Lieut. E. H. Hall.

Col. McCrimmon in the course of his inspection of the Cadet Corps under their instructor, Lieut. Haworth, R. N. R., commented the boys on the splendid efficiency shown and the advance made since last year which was very evident in the ceremonial and rifle drills and physical training exercises. Col. McCrimmon also inspected the band of the cadets and signal corps whose efficiency was also highly commended.

Among those present was Sam Harris of Toronto, president of the Navy League of Canada, and Rev. and Mrs. Vipond.

Owing to the illness of Major Brown, principal of the School, he was unable to be on the ground but his large circle of friends will be pleased to learn that his health is gradually improving.

During the afternoon an interesting cricket match was played between the officers of the Royal Hamilton Light Infantry captained by Col. Gibson, and the Lake Lodge School Boys.

An interesting coincidence was the fact that Capt. Wright of the R.H.L.I. of Hamilton had been a member of a picked cricket team from Hamilton which played here with a picked team from Grimsby just twenty-five years ago on Tuesday.

Sheep Dipping Week In Lincoln County

This is sheep dipping week in Lincoln County and Dr. Lionel Stephenson, Provincial Zoologist, and the agricultural representative, E. F. Neff, will attend dipping operations at five points in the county during the week. On Monday dipping is being done at Sheilds' brothers farm at Caistorville. Dipping at other points will be as follows: Tuesday, June 3, Ed. Smith's Pelham road; Wednesday, June 4, C. A. Springstead's Abingdon; Thursday, June 5, Herbert Copeland's, Smithville; and Friday, June 6, at Raymond Confort, St. Ann's. Dr. Stephenson will conduct demonstrations on the treatment of internal parasites and the control of worms in poultry and hogs. Farmers having difficulty with internal parasites of any kind are invited to attend and take a specimen of the diseased animal or poultry.

Play Arousing Much Interest

Three Act College Comedy "Aunt Lucia" To Be Given Next Thursday and Friday

"Aunt Lucia" the community play using 200 local people which is being sponsored here by the Men's Club at the Trinity United Church will be staged on Thursday and Friday nights, June 12 and 13. It was originally announced that this production would be staged at the Trinity Hall but it is such a big community event that it has been decided to hold it in Moore's Theatre.

Rehearsals have been progressing splendidly and the speaking characters for the cast are well chosen according to Miss Wayne Allen of the Universal Producing Company who is here directing and promoting the play in connection with the Men's Club.

The show itself is a three act comedy centering around college characters and much provoking situations. Besides the three act play there is a big Babyland Pageant using over 100 local children between the ages of 5 and 10 years.

Among those present was Sam Harris of Toronto, president of the Navy League of Canada, and Rev. and Mrs. Vipond.

The play proper opens with a group of men on the stage representing a glee club of former graduates gathered to celebrate the homecoming at their old fraternity house. This chorus of male voices supported by members of the cast and a group of girls acting as the pep squad sing old time favorites interspersed with lively college tunes.

NOTES OF NEWS
FROM
NEARBY CENTRESIS CHARGED WITH BEATING
HIS WIFE

John Kodiak, Montrose, near Niagara Falls, is charged with assaulting his wife, and the police have two exhibits at Police Headquarters, while the man himself is in the cells. The exhibits are a limb of a tree 8 ft. long and four inches diameter, with which he is alleged to have beaten his wife on the head, and an envelope which holds easily two handfuls of hair, said to have been torn out of the woman's head. Mrs. Kodiak is in hospital with a possible fractured skull.

"COLORED HERO MODEST

Hitting reward for a brave rescue from drowning in the Chippawa river is being sought for Earle Wilson, 13-year-old colored lad from the up-river village near Niagara Falls. On Friday he was rescued from forty feet of water. David, the 6-year-old son of Fred and Mrs. Marsh. David was playing along the bank, and fell in, and his screams attracted the attention of Earl, who was riding a bicycle. Not stopping to remove clothes or shoes, he dived in, and after considerable struggle, being a poor swimmer, brought the lad to shore. So modest was the young hero that no one learned of the deed at the school, and only a few, save Mr. and Mrs. Marsh, knew of the rescue.

NEW CHARGE LAID

John R. Robinson, former President of the defunct motor sales company bearing his name, on Friday was committed for trial at the Assizes at Niagara Falls on charges of fraud. In police Court Saturday he faced a new charge, that of converting to his own use moneys paid to him to be remitted to a finance company in payment for a car owned by Harold Pickard, Bertie Township. He was remanded until June 3.

PREPARING FOR ELECTION

Political parties in Hamilton and Wentworth are preparing for the coming electoral battle. The executive of the Hamilton Conservative Association met on Saturday, and decided to call the two city conventions within the next three weeks. Colonel George S. Rennie and C.W. Bell, K.C., are expected to be the candidates again in the East and West Ridings.

County Liberals have called their convention for June 9 in the I.O.O.F. Hall. F. C. Briggs, former Minister of Highways in the Drury Government, will probably be the candidate.

An appropriation of \$12,000 in the supplementary estimates for improvements to the Welland canal was passed by the house of commons to dredge the Henley regatta course at Port Dalhousie.

MRS. MARY GRIERSON IS
AWARDED \$15,000

Mrs. Mary Grierson was given judgment for \$15,000 damages in the civil assizes before Justice Wright for the death of her husband through a motor accident on Cannon street, Hamilton, July 30, 1929.

Mrs. Grierson sued on behalf of herself and her two children. The case was unique in that there was no defense. Liability having been admitted.

FEELS EFFECT OF
BARREL BUFFETING

William "Red" Hill on Friday safely navigated the Niagara river from just below the falls to the Queenston docks, is resting. He is beginning to feel the effects of the buffeting he received in his steel barrel during nearly five hours in the rapids. He has received some good offers to appear at various places and also to broadcast, which are being considered.

OUT-OF-TOWN CALLS—QUICKER AND CHEAPER THAN EVER

She almost trembled
at the thought

Mrs. Kane was a timid soul—no doubt about it! Modern efficiency rather terrified her.

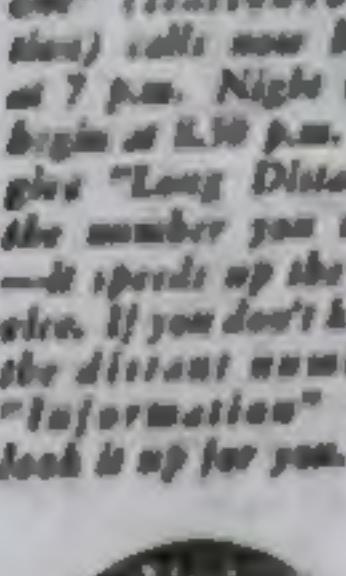

She waited so much to talk to her sister in a town 80 miles away because a friend had told her how she enjoyed weekly long distance chats with her home. But she didn't know how to go about it.

"There's nothing to it," her friend told her. "Just ask the operator for 'Long Distance' and when the answer tells her the number you want, if you don't know your sister's number, ask 'Information'—it's so very simple."

Mrs. Kane felt encouraged. She tried it out one evening; found the operator helpful; and in two minutes was talking to her sister and enjoying herself thoroughly.

And the call cost her only 40 cents—the evening station-to-station rate (after 7 p.m.).

The Friday night 3-minute talk to her sister is now an institution. It has made such a difference to know she is so near! And Mrs. Kane calls after 8:30 p.m. now, at a cost of only 25 cents—the night rate.

THE INDEPENDENT, GRIMSBY, ONTARIO

SUMMER MILK PRICES
EFFECTIVE IN HAMILTON

Summer milk prices in Hamilton went into effect. The prices of milk will be 12 cents per quart and 7 cents per pint.

During the winter milk prices have been 13 cents per quart and 8 cents per pint. Milk distributors state that there was no change in milk prices last summer, but the winter prices a year ago were 13 1/2 cents per quart.

During the summer months whipping cream will be 25 cents instead of 20 cents, and table cream will be 18 cents per one-half pint instead of 20 cents.

Reductions in milk and cream prices, say local distributors, follow the general reduction in commodities and the depressed state of the dairy market.

DAYLIGHT SAVING

Hamilton, as an act of courtesy to the Shriners coming to the convention in Toronto, will adopt daylight-saving time next Saturday morning instead of June 14, the date originally set. A proclamation issued by Controller D.J. McFarlane, Acting Mayor, calls upon the citizens to advance their clocks on Friday night, June 6th.

COMMITTED FOR TRIAL

J. F. Felker, of Stoney Creek was committed for trial on a second charge of obtaining money on a mortgage by falsely representing that the mortgage was a first mortgage instead of second mortgage when he appeared before Magistrate Vance on Friday.

Mrs. Laura Depew, R.R. 1, Hanmer was the complainant.

Crown Attorney G. W. Ballard K.C. prosecuted the case, and T. L. McCombe appeared for Mr. Felker. Mr. Felker pleaded not guilty and elected to be tried in higher court.

LUMBER COMPANY HAS
\$250,000 FIRE LOSS
SPECTACULAR BLAZE

In one of the most spectacular fires seen in Hamilton for years, lumber buildings and machinery of the Consumer's Lumber Company, a subsidiary of the Long Lumber Company, worth over \$250,000, were destroyed early Sunday evening. The plant is beneath the Mountain, at the head of Wentworth Street, and yard stretches several blocks eastward, lying between the main line of the Toronto, Hamilton & Buffalo Railway and the Canadian National Railways line to St. Thomas.

At first there was every danger of a widespread configuration involving scores of houses adjacent to the lumber yard, and virtually the entire Hamilton Fire Department was brought into action.

At about 8:45 p.m. Charles Landellan, employee of the lumber company, noticed a small puff of smoke emanating from the southwest end of the yard behind the offices. He shouted across the tracks to his wife to telephone for the Fire Department, while he and several others rushed for water pails. Within a few seconds the flames had spread eastward between the tiers of white pine, and by the time that the first fire apparatus arrived the whole lumberyard, mill and storage houses were a blazing inferno.

Between four million and five million feet of dressed lumber was in the yard, as well as three freight cars fully loaded on the siding. In spite of all that Chief Wallace James and his men could do practically everything was destroyed.

PASTOR RESIGNS, GETS
CHEQUE FOR \$1,500

The long-drawn-out battle which has been waged between two factions in St. John's Presbyterian Church, Hamilton, culminated in the sudden resignation of the pastor, Rev. A.A. Acton. Rev. Mr. Acton, upon the advice of the Synod, had agreed to resign at the end of June, but over the weekend he decided that there was no object in remaining in the charge any longer. Representatives of the church handed Mr. Acton a cheque for \$1,500, being an alimony for May and four additional months. The pastor has been declared vacant as from June 1.

WILL CHOOSE CANDIDATE

The executive of Lincoln Liberal Association is holding a meeting to set a date for a county convention to choose a candidate to oppose Hon. James D. Chaplin, Conservative member. Leading Liberals stated that the election would not be allowed to go unopposed, as there were many available candidates. A strong one is Mrs. Greenwood, wife of Mr. T. S. Greenwood.

SELLS FOTO CIRCUS
COMING TO HAMILTON

Sells Foto Circus, considered by many the greatest show in America, is coming to Hamilton, Saturday June 14th and will present the world's great

est Western comedy, Tom Mix, and his equally famous horse Tony. Both the famous movie stars appear at every performance of Sells Foto Circus this season and will be supported by the greatest collection of circus acts ever assembled under a big-top. Over one hundred feature acts will be in the big program. Tom Mix and Tony will bring before the public the famous cowboys and cowgirls, but were with them on the screen, featuring the most thrilling of cowboys, with the great Mix heading the list.

In the three days and two nights to be found a complete new programme of circus stars, headed by Cervantes, Spanish acrobats; John and Gertrude Shannor, aerial gymnasts, Marcel Pelley, the silver girl of the silver whirl; the Schwarz Sisters, European equestrians; Kohan, the Jap who walks up stairs on his hands; Terrels thirty-six Liberty horses; the Three Thlers, a flying act with competition in the daring and sensational stunts; the brilliant Ward family of serial stars; five herds of elephants, and a big fifty den menagerie of rare beasts of the jungle.

Over eleven hundred people are with Sells Foto this season. The new tent will seat over ten thousand people and two shows will be given daily at 2 and 8. The doors will be open one hour earlier to allow patrons to enjoy the wonders of the menagerie.

SHRUBBURY

Early flowering varieties of shrubs should be pruned just after blooming by cutting out the old branches, states Professor A. H. Tomlinson, of the Ontario Agricultural College. This is especially necessary in the case of those plants over three years of age in order that there is plenty of room left for new growth. The hydrangea, and other late-blooming shrubs, should be pruned in the Spring. This is the proper time to trim Evergreen hedges and to plant Evergreens.

WAYSIDE TALK

"I see—" began Toople. "Lookit!" I put in, "why ask me if I saw something? Why not start off with 'I see?' If you see something, I only know too well I'll see it too, or anyway hear about it."

"It's a farmer in Grimsby," went on Toople, "he's built a house in a tree for motor-tourists."

"That'll be dessert for the squirrels," I said.

"The tinean tourists can camp there for the night free of charge," Toople explained.

"Rockal'y, motorist, in the tree top, when there's a blow-out the cradle will drop," I improved on Mother Goose.

"It's very popular," said Toople. "Why not? Everybody, at some time or another, has wanted to live in the branches of a tree. Don't you remember how you envied the Swiss Family Robinson youngsters in their arborial bungalow?"

"Never read it," said Toople, "but if their bungalow was up a tree, they should have called it a bungalow, shouldn't they?"

"I've often wondered what was wrong with you," I said. "Sad. But too late now to do anything about it. Don't tell me you never wanted to build a little Robin's Castle of your

own away up in some tall tree."

"I did," said Toople. "I was only a kid. Seems to me it's a pair we're descended from monkeys."

"We've descended from them, all right," I said. "Age has pulled us from the tree-tops to the ground. Firm, but less exhilarating. We descend from the monkeys, 'mountain-bank angels' as W. H. Hudson calls them, living their fantastic lives for above earth in a half-way heaven of their own and mingle with creatures neither fantastic nor angelic."

"It's a proof we've been envied from monkeys," said Toople, "like a baby being able to clutch on to something and support its own weight."

"That's just a proof of concentration. An infant has one idea, grip it tight, in the hope that it may lead to nourishment. If a man could concentrate like that, nothing could stop him. But he clutches at fame and bricks."

fortune and other straws, and all of once finds that his grip is gone."

"Shus—" exclaimed Toople.

"It's the one-idea fellow forces our respect," I continued. "The bulldog got his rep by having just one idea, to close his jaw on something and hold on. If a squeamish generation won't provide him with a bull's nose, let fasten to the rear of a hobo's pants with the same passion."

"You're talking through your hat," rudely remarked Toople.

"Suppose I am," I said, "it's a five dollar hat."—Toronto Star.

Retirement of Veterans Brings Changes in Canadian National Financial Staff

Upon the retirement, June 1, of J. M. Rosevear, General Comptroller of the Canadian National System, and of C. E. Friend, Assistant General Comptroller, each of whom has given 24 years' service, the appointment is announced of J. B. McLaren, hitherto Comptroller of the Central Region, Toronto, to the position of Comptroller of the system.

In the photograph, from left to right, are top row: C. E. Friend; J. B. McLaren; bottom row: T. H. Cooper, who has been appointed Assistant Comptroller, General Accountant A. C. Egan, General Auditor; W. E. Harrison, appointed Assistant Comptroller; D. Venables; and Fred Hartson, appointed Assistant Comptroller, subsidiary

Companies, all at Montreal. Other appointments are: J. F. Aitchison, Regional Auditor, Toronto; T. J. Grimes, Regional Auditor, Winnipeg; G. H. Palmer, Regional Auditor, Moncton, and G. B. Bird, Auditor, Detroit.

Both Mr. Rosevear and Mr. Friend are very highly respected by railway accounting officers on the continent. The Rosevear family has played an important part in railroad service in Canada, the story having begun in 1854, when Matthew Rosevear came to Canada from England to work for the Grand Trunk, and the family has given the National System four generations of men and more than two hundred years' of service in the aggregate.

Obituary

MRS. JANET PETTIT

A well known and respected resident of Grimsby passed away at the General Hospital, Hamilton, Saturday morning following a short illness in

the person of Janet Scott Pettit, widow of the late Ambrose Pettit, in her 60th year.

Deceased was born in New York State, September 10, 1864 but had resided in Ontario for nearly fifty years, the greater part of which she had lived here. She had for some years made her home with her daughter, Mrs. Amber Wollenden, Livingstone Ave.

She is survived by three daughters, Mrs. Amber Wollenden, Mrs. J. M. Powell and Miss Eleanor Pettit, all of Grimsby; also one grandson, James A. Powell. The funeral, which was private was held Monday afternoon to the family plot in Queen's Lawn cemetery, with Rev. J. Allan Ballard, of St. Andrew's church, conducting the services. W. H. Pettit, Theron Wolverine, Gilbert Smith, J.C. Hastings, Dr. Clark and G. B. MacCormack acted as pall bearers.

MRS. GEORGE FILBY

Mrs. George Filby, a resident of Chatham for more than 20 years and a native of Winona, Ont., died Saturday evening in 1914 after a period of several months. She leaves her husband, two sons, one daughter, three sisters and three brothers. The funeral was held Tuesday.

A motor car owned by John Schramm, Gibson Avenue, Grimsby turned turtle on Sunday when the driver failed to negotiate a turn. Mr. Schramm, with his wife and baby, escaped injury, but a young son sustained several cuts about the head and face.

I.O.D.E. Holds Entertainment

Highly Interesting Lecture By Donald Miller, M.A. On South Africa-Enjoyable Musical Program Also Given.

The Educational Committee of the Lincoln Loyalist Chapter I.O.D.E. provided a very interesting entertainment last Friday night at the High School Auditorium.

The main feature was a lecture on South Africa by Mr. Donald Miller M.A. Cantab, who had himself seen the many places and people which his lantern slides showed to the audience.

The lecture was clear and extremely interesting and much appreciated by those who heard it.

Mr. Miller was introduced by Mr. J. S. Jackson in a few well-chosen words.

The lantern was ably handled by Douglas Wood.

preceding the lecture, three musical numbers were given by Mrs. C. S. Bean and Mrs. Eric Thomas, two ladies to whom Grimsby people are always glad to listen. Mrs. Bean sang "Trees," with an encore and gave a very charming monologue with songs, illustrating the calls of birds. It is always a pleasure to hear Mrs. Bean sing, her voice is so rich and sympathetic.

Mrs. Eric Thomas played in her usual facile manner, the tone and rendering of the music being most artistic.

Both ladies were accompanied in a very delicate manner by Mrs. J. R. Gibbs.

Mrs. R. N. Walford, Regent, on behalf of the Chapter, presented a picture of Lord Kitchener to Mr. Jackson for the school. This is to be inscribed with the name of one of the former students of the Grimsby High School, who gave up his life in the Great War.

The entertainment closed with the National Anthem, played by Mrs. M. Frampton.

Mrs. R. N. Walford, Regent.

Historic Old Land Mark

Farm on the Mountain Until Recently Owned By R.H. Lewis, Has Interesting History.

It is often interesting to recall something of the dim past of many of Grimsby's old landmarks and among these is the fine old farm on the mountain until recently owned by R. H. Lewis who with his family has moved to Grimsby, they having taken up their residence on Kidd Avenue.

Perhaps by some old residents it will be recalled that the homestead was built by Wm. Beamer who was the grandfather J. D. and William Russ and great grandfather of R. C. Calder of Grimsby.

John Beamer, the pioneer and father of William, came over to Canada from New Jersey. He made his way up the brow of the mountain then thickly wooded along an Indian trail with a pack on his back and chose and purchased for himself a large section of land on and around the mountain to the extent of 1000 acres or more. Then he went back to New Jersey bringing back with him his wife, as well as an ox, a plough and a few of the most necessary articles. On his arrival he put up a small log cabin where his family was raised and for many years after the homestead was built the old cabin still remained there.

Among the few things he brought over were some apple seeds which were carefully planted and from which after many years of patient waiting an orchard of fine apple trees grew up. All the neighbors for miles around knew of this much prized orchard and would come for their apples year after year.

When the farm passed on to one of the sons whose name was William Beamer, the homestead was built which stands there today. William was an inveterate turn of mind and since machinery was rather scarce in those days he made his, in fact Mr. Beamer made the first reaping machine in the Community. Perhaps one old resident will remember the original old cider press situated in the centre of the famous apple orchard. A large hole was made in a tree into which a huge timber was worked as a lever which pressed the juice out of the apples. This novel cider press proved very popular with the farmers, excellently serving the purpose for which it was devised.

He raised a large family and died each one of the children a farm. He also donated a plot for the building of a School which William and J. D. Russ of Grimsby attended. A small frame building was built but the School had so few pupils at first it almost seemed not worth while, but soon the frame building became too small and a brick one was built. Now Number 11 School is too small and a larger and more commodious School is being planned.

The homestead was later taken over by a daughter, Margaret, the wife of the late Ira Calder, of Grimsby and for many years it was called Maple Lodge and was the scene of many happy gatherings.

At a time it was rented to Mr. J. Smith who started the Grimsby Model Dairy. He owned a large herd of cows and began the delivery of milk to Grimsby people at five cents a qt. Mr. Smith lived in Stony Creek but the Model Dairy is still being ably carried on in the town.

The farm was sold and passed out of the family. Then after several changes of ownership it was purchased by Mr. R.H. Lewis who conducted a fruit and grain farm on its broad acres until recently when it was again disposed of.

DISCIPLINE

By Edgar Guest
When I was young I sighed in vain
Because on picnic days came rain.
I grumbled when my Dad said:
"No."

To some slight joy I wished to know,
"When I grew up," I used to say,
"I'll see that things are done my way."

A little later I found
Though older, I was duty bound.
The greater privileges brought
More things to do because I ought,
And very strangely then I knew
Some keener disappointments, too.

I used to wonder why my dad
At times seemed worried, troubled,
I fancied he was good to him
And gratified his every whim.
I never dreamed when I was small
That Time deals strictly with us all.

But now I've borne enough to learn
Life's code of discipline is stern.
There's none so rich and none so
Shrewd.

Who can indulge his every mood,
All men have burdens they must bear
And none escapes his hour of care.
Life pays no heed to tears or sighs.
It matters not who pleads or cries.

To disappointment all must bow.

So come to-morrow if not now,
So build a faith in which to trust.

For grieve and suffer all men must.

THE WEEK'S NEWS OF THE SURROUNDING DISTRICT

STONEY CREEK

A musical recital given by the piano pupils of Pearl Krick, A.H.S., was held in the Stoney Creek United church Thursday evening.

The pupils were assisted by Verna House; Aileen Johnson, soprano, and Robert Martin, violinist.

Others on the programme included:

Stella Krick, Isabelle Mitchell, Mildred Walsh, Nancy Seacum, Grace Utter, Margaret Grainger, Verna House, Vivian Nelson, Doreen Groom, Roy Hardwood, Harry Barnes, Maxwell McClung and Douglas Greives.

At a meeting of the soldiers' memorial committee, held on Thursday afternoon, at which were representatives of the department of public highways and suburban area commission, it was decided to co-operate in placing flood lights so that the monument will be lighted up each night, also that a red reflector be placed at the junction of the two highways to make this spot less dangerous for motorists. At present it is most confusing at night many accidents having occurred here.

A special meeting of the township council was held Friday evening for the purpose of deciding on purchase of road machinery. After the councillors had gone into the matter thoroughly they decided on the purchase of a tractor only, the Cockshutt Plow company, Brantford, being awarded the contract of an Ellis Chalmers tractor.

One of the most interesting meetings of the Women's Institute held this season took place Friday in the United church Sunday school, the meeting taking the form of a joint affair, Queen Mary branch, Bartonville, and the Jun. or Institute members being present to hear the departmental speaker, Mrs. James Patterson New Hamburg, and take part in the afternoon proceedings. The address on Thrift was both timely and practical, the speaker giving many useful hints and recipes whereby thrift might be practised in household economy. A very pleasing feature of the meeting was the presentation of a beautiful leather traveling case to Mrs. A. E. Walker, president of the federated institutes, by the members of the organization, on the eve of her departure as a delegate to the congress being held in Niagara this summer.

Mrs. Dr. F. Green, in her remarks at the presentation, made reference to the great interest and activity of Mrs. Walker at all times on behalf of the institute, congratulating her on the high honor she had attained.

Mrs. James Gladden made the presentation. Mrs. A. E. Walker, completely taken by surprise at the evidence of loyalty and devotion to her by the members of the institute, stated she felt unworthy of such a splendid gift, as anything she had ever done for the institute had been a real pleasure to her.

H. Moore was present and gave a brief outline of the object of the international peace garden, requesting all present to join in helping to make this one of the greatest things on the continent. Mrs. H. Lee, secretary, gave a report of the year's activities. An instrumental duet was played by Mrs. B. Wigham and Miss V. Pfeiffer. Mrs. N. Widdows sang a solo.

and Mrs. Kull gave a reading. Arrangements were made for holding a garden party in June. Mrs. O. M. Nash, president, presided.

The township council on account of Tuesday, June 3, being the King's birthday, will not meet in session until the following day, Wednesday, at 10 a.m.

In the evening the members will meet the high school board at the high school.

Now that the fruit growers have had a chance to survey their trees since the blossoms dropped, it would appear that there will not be the large crop of cherries and plums which the blossoms gave promise of.

Sour cherries are much better than a year ago. Some varieties of sweet cherries are quite heavily loaded, while others are light. Plums look only fairly promising at the present time. Grapes are well advanced and give promise of a good yield.

Mr. and Mrs. O. M. Nash and Mr. and Mrs. Sam Nash left for Michigan Friday where they expect to spend a few days.

Mrs. W. Welsh, Toronto, is the guest of Mr. and Mrs. Eric G. Miller. Mrs. B. E. Thompson has returned home from Port Huron, where she attended the funeral of her sister, Mrs. Bertha Beamer.

Mrs. Gillespie, of the Japan Evangelical band, addressed members of the local J. E. B. prayer meeting on Wednesday evening last, giving a stirring account of her work in Japan. J. B. Steer, of Toronto, was chairman of the meeting.

Lower school examinations have started in Saltfleet high school and will continue until Thursday of next week.

The resignation of Miss Nephew was received by the trustees of the high school.

Several of the booths along the provincial highway have been broken into during the past week, cigarette, tobacco and gasoline being stolen.

The second accident within the week took place at the Battlefield Friday morning.

A car being driven eastward along King street crashed into the battlefield fence and broke two posts.

The auto was a total wreck. No apparent reason was found for the mishap.

BEAMSVILLE

Cafe Broken Inn.

Onga Law's cafe at Beamsville was broken into some time in the early hours of Thursday morning. The thief forced an entrance through a rear window and went to the front of the restaurant, where they practically emptied a case of smoking sandwiches, then carried the cash register to the yard in the rear and forced it open, taking some five dollars in silver. The marauders had also a good feed on three pates before leaving. The proprietor, and a cook sleep over the cafe, but were not disturbed, and did not know of the visit until morning. It is reported that several refreshment stands east of here have been broken into within the past few days.

F. J. and Mrs. Thomas ended the draggling convention at Niagara Falls this week.

Rev. C. Draper is spending a few days in Galt.

Mrs. W. J. Stewart is recovering from her recent operation in St. Joseph's hospital, Hamilton.

E. Kimberley has purchased the property belonging to the Bennett estate.

Captain John Lloyd, formerly of the R. A. F., England, and Mrs. Lloyd are the guests of Mrs. and Miss Parry. After a long tenure of service Captain Lloyd is enjoying a trip to Canada and he may perhaps make his home here.

The Niagara peninsula at this season of the year, said Captain Lloyd is very much like England.

Charles and Mrs. Garlett, Plymouth, Mich., were in town recently for a visit.

Ed. Hudson, of the Listowel Banner was the guest of friends on Sunday.

Ed. came down to Hamilton with the Listowel choir that took part in the choir competition in Hamilton winning second place.

Miss Rachel Wood and Mrs. Mathers, of Hamilton, were in town on Saturday. Both were former teachers on the high school staff.

Captain Curran and Major Henry Vandusen, of Vancouver, were calling on John and Mrs. Hicks on Saturday.

Roy and Charles Waterworth and their families were in Detroit for the week-end. They spent Saturday with their mother in Glencoe.

Terrence Fairbrother, of the Bank of Commerce staff, New York City, is on his vacation at home.

Miss Pauline Snore passed all her first-year subjects at McMaster university, getting No. 1 rating in them all.

Hugh Sinclair spent Sunday in his old home town of Colborne for the 100th anniversary of the Presbyterians church there.

The funeral of John Van Knippenberg was held on Saturday afternoon from J. W. Buck & Son's parlor to Vinsland cemetery. Deceased was in his 80th year. His death took place on Thursday at the home of his son in Toronto. Some ten years ago deceased was the mail carrier on route No. 1, Beamsville. One son and three daughters survive.

Some 25 friends of Mrs. John Harshaw were assembled at her home on Thursday afternoon by Mrs. G. G. Pearson, her daughter, to celebrate the birthday of her mother.

The Royal Canadian Dragoons some 60 strong, encamped at the fair grounds on Friday night on their way from Toronto to Niagara camp. The squadron left again on their trip Saturday morning.

The three contestants comprising the voters' list in town for the election on July 25, are busy making their rounds. There is little election activity otherwise.

The Stoney Creek male quartet sang several numbers very acceptably in Knox United church at the Sunday night services. Rev. G. K. B. Adams occupied the pulpit, the occasion being Father's night at the church. In Wesley United church in the evening the Listowel choir quartet sang.

Visitors to Canada, entering the Dominion through the Halifax gateway will receive a splendid first impression of the country when they step from the train into this magnificent building which is connected with the station, permitting the passenger to reach his hotel room without having to step outside into the open air from the time of leaving the train.

Binbrook

The lecture by John Clark, Toronto, on "Beautifying the Home and Community," which is to have been given in the Memorial hall on June 6, has had to be changed to June 4.

The Tough Bearers will hold a picnic at Waterdown on June 3.

The annual convention of the Galt and Binbrook Religious Education Council will be held in the Blackheath United church this Thursday afternoon and evening. Speakers for the afternoon will be Rev. A. C. Eddy R. C. Siderius and Rev. Fred Manning. Evening session speakers will be Rev. A. S. Trueblood and Rev. A. H. Lyte.

The delegate speaker for the Binbrook Women's Institute will speak to the Binbrook and Blackheath ladies in the Binbrook Memorial hall on the afternoon of June 3. It was formerly advertized to be held in the Blackheath hall but it is changed to the Binbrook hall.

OUR WEEKLY STORY
LOVE'S INSTRUMENTS
John Francis.

Ethel White, student nurse at General Hospital, was madly in love wth Dr. Elliott Phillips, the handsome young surgeon whose skill already had won him a big name although he was only twenty-nine.

This was no mere "crush" that Ethel was experiencing. It was love. Dr. Phillips had but to enter the room to make Ethel's heart beat faster. Whenever she assisted him in the operating room, her hand trembled as she reached for instruments which she held for him. If his arm happened to touch Ethel's as they read a patient's chart together, her whole body quivered, as though a sharp but pleasant electric shock had been sent through it.

"Thank you," Ethel's voice was a little more than a whisper. Elliott could not have been more proud of his companion that night if she had been visiting royalty. As they got into a cab after the play he asked: "How would you like to go visiting?"

"All right," Ethel agreed. "Anything you say."

"I want you to meet Jean," the doctor explained, "and she wants to meet you."

"Jean?" Ethel questioningly. "My brother's wife," Elliott replied. She was with me at the theater the other night. I've told her all about you, and she got just a glimpse of you when you were with the other girls. Now she wants to see more of you."

"You've told her all about me?" Ethel was puzzled. "But why...." Elliott took Ethel's hands in his as he interrupted her:

"Why? Don't you know why? Don't you know I love you, Ethel? I was afraid I had made it so obvious that everyone in the hospital knew it. Haven't you seen it for months?"

Ethel was too happy to speak. She could do no more than just look at the doctor. He was not quite sure of the meaning of her silence, and hurriedly asked:

"Do you think you ever could learn to love me, Ethel?"

Ethel reached up, and took Elliott's face in both her hands. Then she said:

"Elliott, darling, they say love is blind and I guess it must be, for I've been so blind loving you that I never saw your love for me, and you never realized how much I've been loving you."

"This is just the beginning of our love," said Elliott after kissing her, "but, thank heaven, our eyes are open at last."

Ethel looked, first at Dr. Phillips, who was handsomer than ever in a dinner jacket, then at the girl, with him. Margie had been right; the girl was gorgeous. And what clothes! Her ornate wrap was set off by a head of gleaming black hair, and a gown of transparent black velvet contrasted strikingly with her flawless white skin.

Ethel cried that night before she went to sleep. She knew it was silly, but she couldn't help herself. She felt she hadn't a chance to win the love of the young surgeon she adored; he must be in love with the girl as creature who was with him at the theater. She was sure he was.

While making an entry on a patient's chart the next morning Elliott heard Dr. Phillips' voice at her ear: "Good morning, Miss White. Did you like the play last night?"

Ethel was flustered. How had he known she was at the theater? Regaining her composure quickly, however, she replied:

"Yes, I liked it a lot. And you?" "I thought it was awfully amusing," the doctor said. "I saw you as we left the theater, but didn't get a chance to speak, as you were ahead of us."

Dr. Phillips' last sentence thrilled Ethel more than anything he ever had said. The mere fact that he had wanted to speak to her surprised her no less than it delighted her. She was all the more pleased when she learned he had said nothing to the other girls about seeing them at the theater.

"Do you like the theater, Miss White?" the doctor asked.

"I'm crazy about it."

There was not more time for personal conversation then, but three days later, just as he was entering the hospital, Dr. Phillips and Ethel met in the corridor.

"Good morning, Dr. Phillips," said Ethel.

"Hello, Miss White," the doctor replied cordially.

Ethel had meant to pass on, but the handsome young surgeon stopped her with: "In a hurry?"

"Why, no. Is there something you want, doctor?"

"Yes, Miss White, there is something I want very much. I'd like you as a theater companion tomorrow night. Are you going to be busy?"

"Not at all," said Ethel. "I'd love to go."

"Good," Dr. Phillips seemed pleased. "You are off at seven, aren't you? I'll call for you at eight."

When Nurse Ethel White entered the reception room of the Nurses' Home, to meet Dr. Elliott Phillips the following night, Elliott had to look twice to reassure himself that this gorgeous girl was the same Ethel White with whom he always had associated prim, white uniform.

In her long evening gown of white moire, which matched her skin perfectly, and a wrap of old rose velvet, with a marabout collar and cuffs, Ethel looked a lady who had just stepped from a portrait.

"Why -- you're ravishing," was all he could say as he advanced toward her.

"Thank you," Ethel's voice was a little more than a whisper.

Elliott could not have been more proud of his companion that night if she had been visiting royalty. As they got into a cab after the play he asked: "How would you like to go visiting?"

"All right," Ethel agreed. "Anything you say."

"I want you to meet Jean," the doctor explained, "and she wants to meet you."

"Jean?" Ethel questioningly. "My brother's wife," Elliott replied. She was with me at the theater the other night. I've told her all about you, and she got just a glimpse of you when you were with the other girls. Now she wants to see more of you."

It was touch and go in the breach of, promise case and the defendant's barrister knew that he was "up against it."

While cross-examining the mother of the plaintiff, a very clever woman, he was completely worsted in the encounter of wits.

At the close however, he turned to the jury and exclaimed:

"You say, gentlemen, that even I was but a child in her hands. What must my client have been?"

A girl was asked what she thought of married life.

"Oh, there's not much difference," she replied. "I used to wait up half the night for Tom to go, and now I wait up half the night for him to come home."

WHERE R-100 WILL "LAND"

Extensive preparations for hand-over the large crowds who are expected to greet the monster dirigibles upon their arrival at St. Hubert Air Field, near Montreal, from England, are being made by the Canadian National Railways.

Special trains will be operated from Beauvau Station to St. Hubert, where trackage is being installed especially for the handling of this traffic. The photographs show: Left, the huge mooring mast constructed in preparation for the arrival of the R-100. Upper, trackmen at work installing cables in preparation for the special trains which will be operated during the dirigible's visit.

Opening Of Softball League On Friday

Everything In Readiness—Public Supporting Underwriting And Successful Season Anticipated—Boys' Schedule Has Been Arranged and Many Interesting Games Will Be Played.

Everything is in readiness for the opening of the Soft Ball League on Friday night, June 7 at 7 p.m. at the School Grounds. The reports coming in from all sections is the effect that the tickets are selling well showing the executive that the project so far is a success and the public are getting behind this large organization and helping to put it across.

The finance end of all these Clubs is very important but the executive think they struck on a good idea by placing the price of the tickets at 25c which admits the purchaser to all games of the season except the play off games. Apart from the financial end comes the moral support which is hardly needed. It is up to every citizen to turn out and watch the games and take interest. There are six boys' teams with fifteen players each and a girls' team with twelve players. It makes a total of over one hundred girls and boys who are members of the Club. All new good citizens who must have some kind of sport and a good many of the girls and boys require the exercise and most of the members represent every walk of life.

No doubt every citizen has either a son, a daughter, a son's, nephew, or friend, who is playing ball whom they would like to see in action and cheer them along. All games will be played on Tuesday and Friday nights starting at seven o'clock and in order to get through the schedule of thirty games it has been decided to play two games a night of seven innings each. This will put lots of pep into the game and make the evening an interesting one. All this for twenty-five cents.

One or two regulations that may be interesting to the public are as follows:

All players must be signed by June 6th and all names handed into the secretary Bert Richardson at the Royal Bank.

All players must reside in Grimsby and Grimsby township with the exception of the Junior Farmers of Grimsby and Winsome who are allowed limits to Stoney Creek.

All Captains of teams are members of the executive and all disputes go to the Captain first for settlement. In

T. J. Malone And Frank Biggs, Candidates In Wentworth

T. J. Mahony, M.L.A., of South Wentworth, member of the Ontario legislature since 1923, will allow his name to go before the Wentworth Conservative association convention as a candidate for federal honours in the county riding.

Col Armand Smith, chairman of the special nominating committee, announced Friday morning that Mr. Mahony had agreed to have his name placed before the meeting.

Mr. Mahony was the unanimous choice of the committee two weeks ago and the personal included representatives of every section of the riding.

The party convention will be held Saturday, June 7, at 2:30 o'clock in Pythian hall, Jackson street west Hamilton. It is expected that Mr. Mahony will be endorsed by unanimous vote.

With Frank Biggs as the Liberal candidate in the fight, electors of Wentworth look forward to one of the most interesting campaigns for some time. Mr. Mahony is ex-rector of Saltfleet and Mr. Biggs was reeve of Beverly. Both filled the warden's chair of Wentworth. Mr. Biggs was provincial minister of public works for four years and Mr. Mahony has been a member of the advisory highway commission of the Ontario government for six years and at the present time is chairman. Mr. Biggs served in the Ontario legislature from 1919 to 1926 and Mr. Mahony has been a member for an equal term.

Grande Bonduval, Detroit, was dragged from the flaming mass of twisted steel by a passing automobile and is at present in a serious condition in St. Joseph's hospital.

His injuries include a compound fracture of the right leg and excessive burns to arms, legs and body. He may die.

The two men were driving a new coupe with Cook at the wheel. When out on the farm of E. C. Cullen, about six or seven miles west of Etobicoke, on the Hamilton-Windsor highway, the coupe crashed into a standing truck which had been in charge of Fred Holland, 134 Robert St., Hamilton.

Nominations To Be Held July 21st

(Continued from page 1)

Four registration districts have been provided for St. Catharines and registrars will consider applications of persons to be added to lists compiled by the enumerators, also to receive notices of appeal to have names struck off from the lists, but the district registrars cannot act upon such appeals. The duty being reserved for the county judge when due notice of the date of hearing will be given.

The rural registrars are instructed to get to work as soon as possible as their books must be completed on Saturday, June 14th next and their preliminary lists delivered to Sheriff O'Loughlin on June 17th. The date of rural registrars hearing applications of persons whose names do not appear on the rural lists is fixed by the act but on account of Dominion Day being included in such dates, instructions are that the hearings are to be held on June 20th, July 2nd and July 3rd.

ELECTIONS THROUGHOUT

(Continued from page 1)

The budget brought down by Hon. C. A. Dunning on May 1 was the most sweeping of recent years. It made some three hundred changes in the tariff. There were a great number of increases in the iron and steel schedules in the intermediate and general classifications. A large number of reductions under the British preference were provided for. It fixed the same rates on a number of products coming from a foreign country as that country levied against the same class of Canadian goods.

Here and There

"I think that the increase in employment has stopped in the United States and that by the time the fall comes around, things will be much better," declared Professor Leo Williams, of Breslau, interviewed abroad. "A. E. Evans of Australia, on his way to the International Fair, told me that the general tone was good. The word has passed," he added, "and things are looking brighter again."

Canada's new championship golf course, the Royal York of Toronto, was opened officially May 19, in the presence of a distinguished gathering of golfers and Canadian Pacific and civic leaders. George S. Lyon, Grand Old Man of Canadian golf, drove the first ball, and later in the day, the clubhouse was honored by the inspection visit of Their Excellencies, Lord and Lady Willingdon. The course is in connection with the Hotel Ro at York Hotel and will be at the disposal of golfers.

W. R. MacInnes, vice-president in charge of traffic, Canadian Pacific Railway, since 1918, and after 45 years' service with the company, retires May 31 at his own request, and will be succeeded by George Stephen, at present freight traffic manager. In announcing the change, E. W. Beatty, chairman and president of the railway, said: "Mr. MacInnes has been in the company's service for forty-five years and has discharged his executive duties as freight traffic manager and as vice-president in charge of traffic with conspicuous ability and loyalty to the company's interests. By his retirement the company loses one of its ablest and most respected officers."

More than four hundred varieties of apples have been originated at the Canadian Government Central Experimental Farm at Ottawa within the last 25 years. As these kinds of seedlings have fruited, the apples have been tested and the best of them named and perpetuated for future production.

Five years ago the total output of petroleum in Alberta was 160,000 barrels; last year it rose to 300,152 barrels, of which 261,221 barrels came from the Turner Valley, the comparatively new field about 35 miles south-west of Calgary.

Contracts for 65 miles of extension to the Northern Alberta Railways which run north of Edmonton through the Peace River district, have been let. These extensions are to cost \$2,350,000.

Canada exports more manufactured goods per head of the population than any other country in the world. The figures are: Canada, \$61.80; Great Britain, \$55.80; Germany, \$32.80; France, \$29.60; and the United States, \$23.13. It takes the exports of one American plus one German plus 16.5 to equal the exports of one Canadian.

The demand for quarter sections each of 160 acres, of free homestead lands in Western Canada, given by the Canadian Government to settlers, continues to increase. In the first three months of this year there were 2,641 entries registered representing 410,216 acres, as compared with 2,605 entries representing 374,559 acres in the corresponding months of last year.

New Championship Golf Course

George S. Lyon, Canada's Grand Old Man of Golf, split the fairway with the first ball driven from No. 1 tee of the Royal York Golf course recently when this new championship course, built by the Canadian Pacific Railway for the benefit of guests of Canada's premier hotel, was formally opened in the presence of Their Excellencies Lord and Lady Willingdon.

This 18-hole course, claimed by players to be one of the best on the continent, has a par of 72 with a length of 6,810 yards. All Toronto golf clubs were represented at the opening and prominent golfers of the Dominion came together here for the occasion. This course has been selected as the scene of the annual Interprovincial team match on August 2, and many tournaments in connection with conventions, including the monster one of the Brier, will be staged there. Layout shows the \$100,000 Clubhouse of the course with a view of the Royal York Hotel.
